

For Nails

Developed with input from some of America's leading nail technicians, Preciosa's Faerie family for nails has been thoughtfully engineered to maximize impact, coverage and durability. Both Crystal Faerie and Regal Faerie have undergone rigorous testing to ensure long-lasting, textured shine that is easy to apply and remove. Like all Preciosa products, this assortment is made from only the highest quality raw materials and is 100% produced in the Czech Republic.

Crystal Faerie

Preciosa Crystal Faerie is composed of tiny crystal balls and double-cones, each sized, shaped and polished to shimmering perfection. Preciosa double-cones provide the largest surface area and account for the highest composition ratio of similar products for nails, which means that the colors are truer, the shine is brighter, and the overall impact is higher.

For Nails

Application

For best results, Crystal Faerie and Regal Faerie should be applied by a professional nail technician. Crystal Faerie and Regal Faerie were designed for external use on finger and toe nails, and should be applied on top of nail polish, gel or professional glue. Do not use with other types of glue. Exposure to UV rays will not affect Crystal Faerie’s or Regal Faerie’s shine or durability.

1. Apply first coat of nail polish or gel and allow to dry completely.

2. One nail at a time, apply second coat of nail polish, gel or professional glue. Hold that finger over a small tray and sprinkle Crystal Faerie or Regal Faerie over the painted, still-wet nail.

3. Gently press and compact the crystals onto the nail and let it dry completely. We recommend using a cosmetic or nail brush to shape the crystals into the desired formation.

4. Apply a light top coat around the edges of the crystals for maximum durability.

5. Pour remaining Crystal Faerie or Regal Faerie from the small tray back into the bottle for future application.

Removal

To remove Crystal Faerie or Regal Faerie, use nail polish remover or recommended remover for gel nail lacquer.
